I, Christina Barton (PRINTED) HEREBY MAKE THIS VOLUNTARY STATEMENT TO

Officer Flaugher #20 (OFFICERS NAME) AT Southwest + Richards (LOCATION)

I was stopped at the 4 way stop sign, the car in back of me, rammed my rear end, he pulled over + said "let's move to the side", & did + he didn't. He took off down Richards going North. He had a female passenger in the front seat.

The car was an old looking beat up van or truck, someone said it was an SUV. There's a lot of damage to my car, his front license plate fell off.

I have a lump on my lip, and have a headache, that I didn't have earlier.

He was no older than early 30's, scruffy looking with a cigarette dangling from his mouth, light brown or dishwater blonde hair, sometype of ball cap (I think), and his teeth looked bad
