I, Dana Alvarado (PRINTED) HEREBY MAKE THIS VOLUNTARY STATEMENT TO

(OFFICER'S NAME) AT Corner of Broadway + (LOCATION)

Southwest. I was 1 car behind the white looking van w/ stickers on backside. We were in the turning left lane (onto Southwest) going East stop Southbound on broadway (in grovecity). The gentleman in the turning lane was in the intersection turning onto Southwest. It was yellow turning red. By the time the light turned red the other cars coming North bound on broadway were stopping. At this point light was red and the red Kia speed up ~~and~~ to run light. The Van was turning and clipped the Kia. The girl in Kia had swerved to prevent a more serious accident. She was struck on drivers side. The Kia plate is GF55420 and the white van is 731XI4. The light was already red when this accident occured. I stopped to make sure everyone was OK. As I pulled up the girl was very hostile towards other driver, which can be expected.
