This letter is in regard to some questions about our Business. I hope this answers all of your inquiries. We are and will continue to be professional in the way we conduct Business. 24-7 Reptiles will be a Retail Pet Shop, which will also be an educational experience and a very interesting and fun addition to Grove City. Native and Dangerous animals **WILL NOT BE SOLD** in our store. Larger animals will be under lock and key accessible only to the owners and manager. We only sell a small quantity of unique mammals. Every day cages will be spot cleaned and held to the highest standards. All cages are cleaned completely 2 times a week or more if needed, we do not see any issues with the health and smell concerns. Most of the animals we deal with are very high end animals ($100-$5000) each; we take great care that nothing gets loose. Most of our animals make little to no noise at all, so we do not foresee any issues arising pertaining to that. All Ohio animal laws will be followed to the letter, as we are dedicated to the conservation and preservation of these animals we love so much. We also have plans in the future to partner with the Ohio Wild Life Center and any failure to comply with Ohio laws would make that not possible. Our animals and dry goods will be loaded through the rear side entrance out of view of our neighbor's customers. The front facade will have our sign and be very well kept. Semi-truck deliveries will not be needed. Employees will park on the side of the building in one of 12 spaces; customers will have 3 spots directly in front of our store and 10 to 11 additional spots on the side. We hope this answers all questions you may have. We thank you for your consideration of our application and we look forward to being part of the Grove City Business Family.

Sincerely,
