Youth Basketball League Rules and Regulations

General

1. The City of Grove City is dedicated to providing a quality youth basketball program that strives for equal league competition and involvement among participants. All games shall be played under the rules of the Ohio High School Athletic Association as defined in the National Federation Official High School Basketball Rules. These official guidelines will be implemented unless otherwise stated in the following rules and regulations.
2. There will be 2 coaches per team allowed on the bench during games. The head coach will be the only coach allowed to stand during the game. All head coaches must be certified through the National Youth Sports Coaches Association (NYSCA). **If the head coach fails to get certified he/she will be unable to coach.**
3. Before each game, coaches will list their complete roster in the official score book. It is required that all players are listed in numerical order. Make sure to add players that are late or delayed. Players not in the official score book will not be allowed to play. No player may be suspended or receive less playing time for not making practice.
4. Coaches playing the first game are responsible for setting up the scorer's tables, team benches, and portable bleachers for spectators (if applicable). Also, coaches playing the last games are responsible for returning the scorer's tables, team benches and bleachers (if applicable).
5. During games, all players must wear the uniform provided through the City of Grove City Parks and Recreation Department. Coaches are responsible for making sure that uniforms are not modified, including (but not limited to) adding patches, names or stick-ons. **ALL JERSEYS MUST BE TUCKED IN.** Players will not be allowed to wear hats, jewelry (earrings cannot be taped over), rubber bands, hair beads or casts. Also, eyeglasses must be firmly supported and any metal braces or related items are prohibited. The referee will use his/her discretion for any items not listed. No exceptions!
6. The official scorer will be a representative of the home team. The visiting team will be responsible for assigning a person to run the score board and keep the official time. These representatives should compare records throughout the game and notify the referee at once if any discrepancy exists. The official scorebook will be accepted as correct if the matter cannot be resolved. League rules, Ohio High School Athletic Association (OHSAA) rule books and scorebooks will be at each scorer's table.
7. A head coach is the only one permitted to ask for a conference with a referee. However, the opposing head coach must also be involved. If both head coaches cannot resolve the situation, the official will make a final decision to continue play.

8. There will be a jump ball at the start of each game and at the beginning of any overtime period. All calls normally resulting in a held ball will instead be called according to the alternating possession arrow.
9. If a game ends in a tie, a 3-minute overtime period will be played. Each team will receive 1 additional time out. **No time outs are carried over from regulation play.** See player substitution rule 4Aii (pg. 3).
10. Running up the score will not be tolerated. Teams ahead by 15 or more points must stop pressing and pull back to the defensive basket within the 3-point arc. Violation of this rule will result in a 2-shot technical with possession of the ball.
11. Grove City Parks and Recreation has created a **zero tolerance policy** that includes, but is not limited to, the following: fighting, physical contact, aggressive behavior towards an individual, profanity, belittlement of players. This type of behavior could result in indefinite suspension to a lifetime ban from Grove City Parks and Recreation activities.
12. Ejection Rules
 - a. **Players** – If a player gets ejected from a game by an official for any reason, he/she must leave the facility immediately. That player will not be allowed to play the following week, nor will that player be allowed into the facility for the game played during the suspension. If a player is ejected from 2 games, that player will be permanently suspended from the league.
 - b. **Coaches** – If a coach gets ejected from a game by an official for any reason he/she must leave the facility immediately. That coach will be suspended for the next game on the schedule. A coach that gets ejected twice in the same season will be immediately removed from the league. All coaches need to remember to act responsibly and be role models for the children participating in this program. Any coach who does not follow the Coaches Code of Ethics may be subject to penalty.
 - c. **Parents** – If a parent gets ejected from a game by an official for any reason, he/she must leave the facility immediately. That parent will not be permitted to attend the next game on the schedule. It is important that parents act responsibly as fans.

7th-12th Grade Girls: There will be no pressing beyond the backcourt foul line extended, except for the last 2 minutes of the game

NOTE: The two-minute rule will also be applied to overtime periods.

4. Substitution rules should be followed as outlined.

A. **All players must play a minimum of 2 complete quarters per game. No player may play any part of 4 quarters unless every player has played 3 quarters.** Coaches are to keep players in for the full quarter unless there are circumstances that arise. Substitutions of players can be made for the following reasons:

- i. **Injury/Illness or Fouling Out:** If a player being substituted for has played less than half the quarter at the time of injury/illness, he/she can re-enter that quarter if possible. In this case, the player that substituted for that injured/ill player is not charged any time. Coaches must rotate each player on the team when making

substitutions for a player that fouls out or has an injury/illness. This will allow for different players to play throughout the year when this situation occurs. Remember, coaches cannot split playing time between players during any quarter. A player starting a quarter must finish the quarter unless he/she fouls out or has an injury/illness.

- ii. A team with less than 10 players will be forced to utilize players for more than two quarters. There is no rule this season that the children who play three quarters per game must be rotated from week to week. We encourage coaches to be as fair as possible when the situation arises. ****The overtime period is not an extension of the fourth quarter. Any eligible player may begin the overtime period, however each overtime period played will count as a quarter. Proper rotation of players must be followed in this instance (see Rule 4Aii).**
 - iii. Prior to the completion of the first quarter, any player arriving late will play 2 full quarters. Any player arriving after the start of the 2nd quarter only has to play 1 full quarter unless the coach decides to play him/her 2 full quarters.
5. The foul line will be moved closer to the basket for some leagues. The distance shall be moved to the second hash mark from the foul line or approximately ten feet from the rim if no hash marks are present. The following leagues are affected by this rule: **1st grade boys, 2nd grade boys, 3rd grade boys, 4th grade boys, 1st/2nd grade girls, 3rd/4th grade girls and 5th/6th grade girls. Note: 4th grade boys and 5th/6th grade girls may shoot from the regulation free throw line if possible.**
 6. The following leagues will be required to play a man-to-man defense: **1st grade boys, 2nd grade boys, 1st and 2nd grade girls, 3rd grade boys, and 3 and 4th grade girls. Please try to prevent double teaming to allow the game to run more smoothly.** All other leagues can implement both a man-to-man defense and a zone defense at any time. However in the 1st grade boys, 2nd grade boys and 1st and 2nd grade girls there will be no physical stealing of the ball from someone dribbling or holding the ball. If a ball is stolen through the air or on a loose ball that will be legal. It will be the sole responsibility of the official to monitor this rule.
 7. The rim heights will be as follow:
1st Grade Boys, 2nd Grade Boys and 1st and 2nd Grade Girls - 8-foot rim
3rd Grade Boys and 3rd and 4th Grade Girls - 9-foot rim
All other leagues - 10-foot rim
 8. 1st Grade Boys, 2nd Grade Boys, 1st/2nd Grade Girls - ONLY
 - A. Prior to the start of each game, each team will have players shoot 1 foul shot and 1 lay-up. Unfortunately, some children will not even touch the ball once play begins. These rules are in place to allow children at least one opportunity to shoot a lay-up and foul shot before play begins. **Please emphasize team play at all times!**
 - B. All players will be limited to a total of 14 recorded points per game, **NOT** including the pre-game totals. Once player achieves fourteen points the official and coach will be notified. This is to assure team play!
 - C. There will be a 6 minute running clock with no score kept on the scoreboard. The scoreboard is there solely for keeping track of time. If the score is being kept on the board it will be removed from Monterey and the time will be kept by the official. There should be one volunteer keeping a scorebook to monitor individual points. If a player scores over 14 points please notify the official. There shall be no keeping of a running score or yelling out the score of any kind.
