The Grove City Division of Police

CRIME ALERT

RE: BUS STOP SUSPICIOUS PERSON
DATE: April 22, 2009

On April 20, 2009, a suspicious person was reported to the Grove City Division of Police. This person has been seen in the area of Natalie Drive at Haley Drive in the Hoover Park subdivision. This individual has been seen at the bus stop at this intersection approximately three times in the past couple weeks.

On April 20, 2009, at 4:00 p.m., the suspicious male drove up next to two juvenile females after the bus dropped them off and yelled, "Hey, you girls need a ride, you look lost." The girls walked away quickly and the male immediately left the area.

The male was described as a heavy, older white male, possibly in his 60s, with gray hair and a short beard. He was driving an older-model large maroon/burgundy four-door vehicle. The girls stated he is mostly at the bus stop on Thursday afternoons and this was the first time he was seen on a Monday.

These acts alone are not illegal and no enforcement action should be taken on anyone matching this description. The Grove City Division of Police would like to identify this person. Anyone with information on this vehicle or person please contact the Grove City Division of Police.

If you have any information which could assist us in this case, please contact the Grove City Division of Police at (614) 277-1710. Anonymous tips may be left at (614) 277-1808.
