RE: 13.CA.039 Cashland Robbery OCA# 132063

DATE: June 11, 2013

On June 11, 2013 at 11:52am a clerk at Cashland, 2228 Stringtown Rd, Suite A, Grove City, called police to report a robbery had just occurred. A male approached a clerk acting "funny", had his hands in the pockets of his hooded jacket, and told her to give him everything she had. The clerk grabbed a handful of money and gave it to the male who left on foot.

Just prior to the incident, the male was seen in the Cashland with two females. The females asked the clerk a bunch of strange questions possibly trying to distract her, while the male paced around in the lobby. They left the store and a few minutes later the male re-enters the business for the robbery.

I have attached pictures of two females as well as the male who approached the clerk. I have also included a photograph of the Cavalier that the females were driving. Please forward any information to:

Detective Jason Stern #59

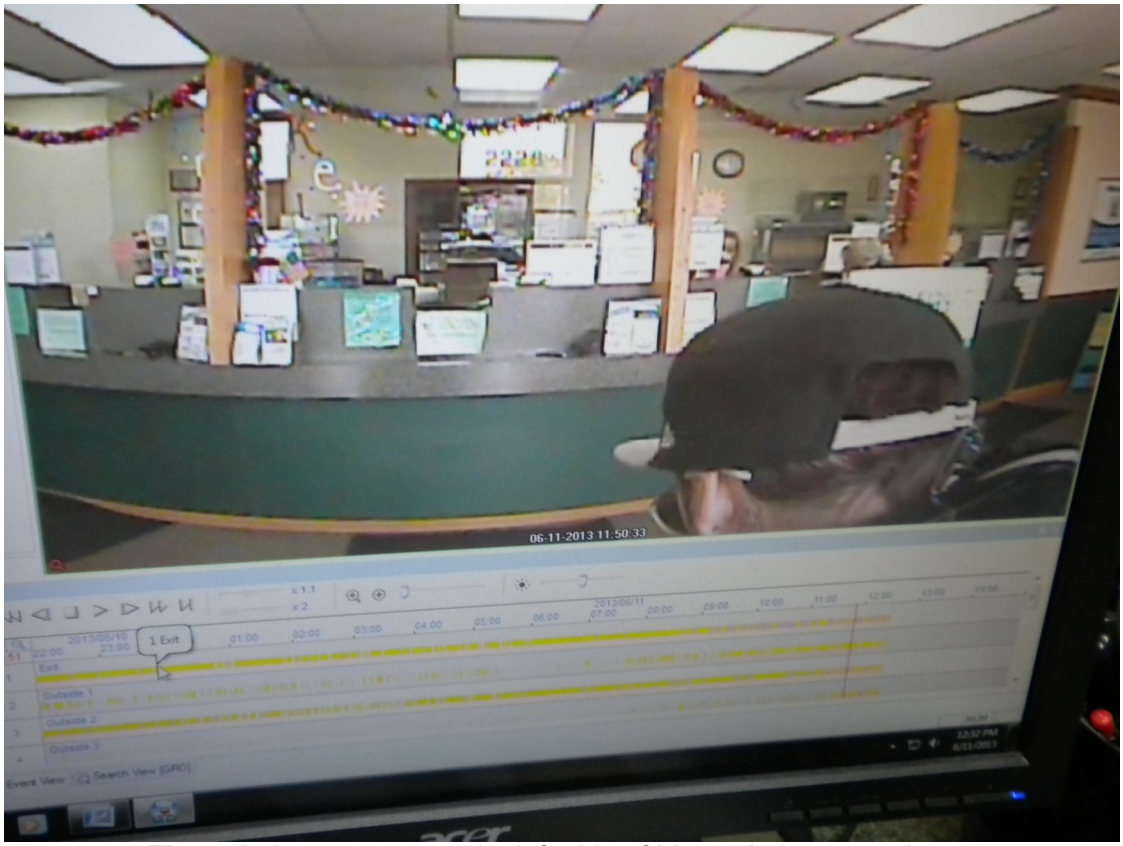
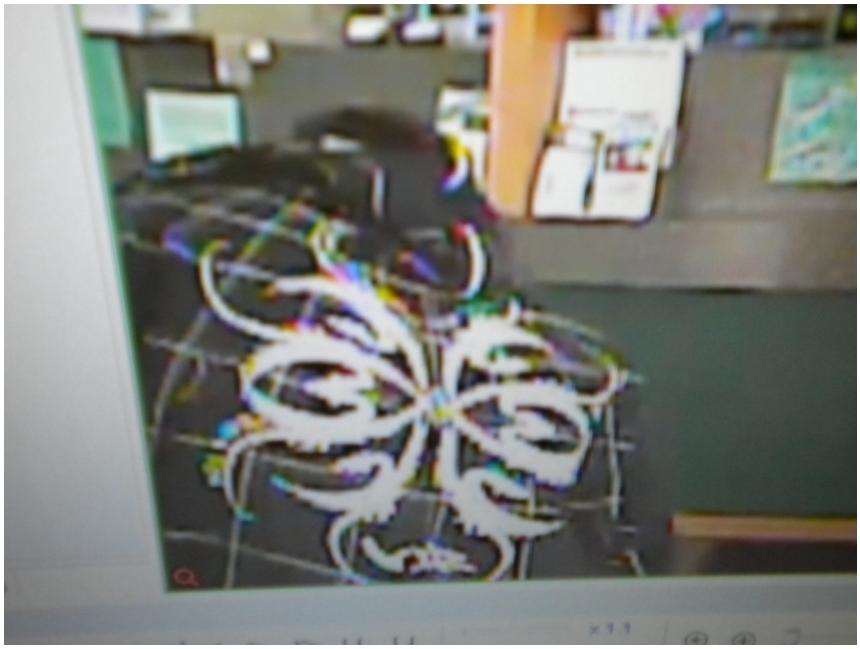
The silver Cavalier was driven by the females. The male suspect is on the phone, waiting for them to go in the first time.



The male has a tattoo on the left side of his neck that extends behind his ear, among other tattoos. It also appears he may have longer hair.



This is the back of the suspect's jacket.
