RE: SUSPICIOUS PERSON AT KENSTAR PHARMACY
DATE: DECEMBER 4, 2009

On December 4, 2009, Kenstar Pharmacy reported that a tall white male entered the store and spent a substantial amount of time inside the store just walking around as if he were looking at cameras or security. The owner stated that the male purchased two items at the register and would not look at the clerk while checking out. The items he purchased were only \$1 items. As the clerk turned her back the suspect took a pair of Ohio State Buckeye gloves and placed them in his coat without paying.

Please see surveillance photos below.
