It is with deep regret that I find it necessary to resign as a member of this Council. Mild complications, since I have had the heart attack in September, dictate a further cutback in my activity and leaves me no choice, feeling that my health and the welfare of my family must come first.

The years that I have served on this body have been among the most gratifying in my life. I have enjoyed being a small part in the obvious progress of Grove City. It has been a rewarding experience to serve with the officials of a city like this where harmony and cooperation were always evident. It has made public service a pleasure. I am especially grateful for the many lasting friendships that have developed while a member of Council. I am grateful to the citizens of Grove City for electing me to this office twice and thus giving me the opportunity to serve and enjoy the personal satisfaction that goes with it.
