After 13 years of working in this community and seeing it grow from a small rural town to a twenty first century suburb. The current City Hall building speaks well of the vision and leadership that Administrators and Council Members have displayed over those years, as is the renovation of the Town Center. He commended the vision, direction & commitment to public service to current and previous administration and council. He wished them all well in the future. The personal relationship he has experienced with the City as principal of the High School has been simply outstanding. The experience of Government Day and gracious reception given to the sister school in Heidenheim, Germany are just two of the examples. Finally, he presented the City with a gift. He commented that June 7, 1996,

was a remarkable day in our history and the spirit of the 100th Olympiad came to town. Mother Nature washed us clean, but, the excitement was phenomenal. What some didn't realize was that five students and one teacher from our community carried the torch from Harrisburg through Grove City. Mr. Rutan then presented a picture of those individuals to the City and named each: (L to R) Jerry Huffman - '96 graduate, member of the Handicapped Class, perfect attendance, and proudest moment was receiving a trophy for being the best JV Baseball Manager in school; Jennifer Snyder - '96 graduate and outstanding female athlete, winning the Jim Weber Award for receiving the most varsity letters; Paula Bennett - '96 graduate, given over 1000 hrs. of community service to Heinzerling Foundation and Children's Hospital; Ryan Walker - special olympian, 12 yrs. old with Down Syndrome; Justin Huff - Freshman at GCHS and won just about every ROTC Award there is; and John Wendondorf - Teacher of the Year.
