

Grove City 2016

LEAF COLLECTION SCHEDULE

The Grove City Service Department provides free curbside leaf collection Tuesday, Oct. 11 through Friday, Dec. 2. The city is divided into eight areas, and each area is assigned two weeks for collection. Homeowners should rake their leaves to the curb in front of the residence prior to the first day of the designated week of collection for the area. Do not place leaves in the street, this can create storm sewer blockages as well as parking issues. Vehicles should not be parked in front of, or on top of, leaves during scheduled collection weeks. This collection is for leaves only. The equipment is easily damaged by other materials such as branches, twigs, grass clippings, rocks and other debris.

If residents prefer to have leaves picked up prior to or after their scheduled date, leaves can be placed in yard waste bags/containers for collection by Local Waste Services on their regular trash pickup day.
