Stephen J. Smith, Director of Law

Village at Gantz Meadows, LLC

1. Property

The Village at Gantz Meadows ("Property") shall consist of an approximate 9.051 acre site with approximately 294.66 feet of frontage along Home Road and as is further described in Exhibit A-1: Description of 9.051 Acres for Triangle Real Estate Services.

2. General Provisions

- a. The provisions outlined within these development standards shall apply to the 9.051+/- acres of land as described in Exhibit A-1 unless otherwise approved by Grove City Council. Other provisions of the Grove City Code shall apply only to the extent that this Zoning Text & Development Standards do not address such matters.
- b. For the purposes of this Zoning & Development Standards Text, the terms and words contained within carry their customarily understood meanings. Words used in the present tense include the future and the plural includes the singular and the singular the plural. The word "shall" is intended to be mandatory; "occupied" or "used" shall be considered as though followed by the words "or intended, arranged or designed to be used or occupied". In case of any difference of meaning or implication between this text and the Codified Ordinances of Grove City, the Zoning Text shall control.
- c. All provisions of this Zoning & Development Standards Text are severable. If a court of competent jurisdiction determines that a word, phrase, clause, sentence, paragraph, subsection, section or other provision is invalid or that the application of any part of the provision to any person or circumstances is invalid, the remaining provisions and the application of those provisions to other persons or circumstances are not affected by that decision.
- d. Deviations from the standards, requirements, and uses set forth herein as well as the Zoning Code may be approved by City Council through the Development Plan process, as long as they are consistent and harmonious with the overall intent of the development and do not diminish, detract or weaken the overall compatibility between uses within or in proximity of the Property.

3. Permitted & Accessory Use

- a. The Village at Gantz Meadows will be a residential neighborhood that shall contain a mixture of 4-unit and 6-unit attached condominium homes with a pool and cabana. There will be 56 units available.
- b. Accessory uses shall be regulated in accordance with the Grove City Zoning Code.

#### 4. General Site Development Standards

- a. Entryway. An entry to the site will be located on Home Road and shall incorporate design elements in keeping with others in the area. Those elements shown are illustrative only. Details will be included with the Final Development Plan.
- b. Streets. All streets shall be a minimum of 26 feet in width (as measured from front of curb), privately owned and maintained by the Condominium Association .
- c. Bike Path. A 6-foot wide asphalt bike path connection shall be constructed by the developer and dedicated for public use to provide recreational opportunity to the residents of the neighborhood as well as the larger community. The path shall connect the existing trail in Gantz Park to the site's entryway and the proposed private sidewalk within the subject property. That portion of the path which falls within the public R.O.W. should be conveyed to the City for public use through recorded easements.
- d. Open Space. Open space shall be provided in accordance with Chapter 1101.
- e. Amenity. The developer shall construct a community pool cabana of approximately 180 square feet and a pool (not less than 20' x 40'). These amenities shall be used by residents and their guests in accordance with regulations established by the Condominium Association to be formed by the developer.
- f. Construction/sales trailer. During the initial construction of the property, a temporary trailer will serve as both construction and sales center.
- g. Site lighting. Site lighting shall be provided along the internal private streets via a decorative post with lamp fixture. Additional decorative accent and landscape lighting shall be incorporated at the clubhouse, entry sign and landscape features which may be lit from a concealed source with light cast directionally up or down. No light shall be cast horizontally, and lighting fixtures will be no taller than fifteen feet (15'). The final details for lighting fixtures and locations will be approved with the final development plan.
- h. Fencing. Fencing shall be limited to entry feature fencing, buffer privacy fencing and pool fencing. No other lawn or common areas shall be fenced.
- i. Retention Ponds. Retention ponds shall comply and constructed in accordance with Grove City's Public and Private Pond Design Criteria.
- j. Screening, Tree Survey, and Tree Preservation
  - i. Developer shall pay the Urban Forestry fee of \$6 per lineal feet of curb/street pavement for the entire plat, to the City Community Environmental Fund. Trees will be installed and maintained by the city.
  - ii. Perimeter screening/buffering shall be provided to ensure compatibility and adequate buffers with surrounding uses as well as acceptable separation from Home Road and I-270.

1. In areas determined during the development plan review and construction process by the Urban Forester to be void or deficient of trees (as result of construction activity or as an existing condition) the developer shall install trees to establish an adequate level screening and buffering in accordance with Section 1136.07.
2. Existing healthy trees located within ten (10') feet of the site's perimeter (measured from the property line) shall be preserved with the exception for utility crossings. Trees located within these areas as shown on the Final Development Plan shall be placed in a preservation easement and provided to the Condominium Association as part of the Declaration of Condominium.
3. Perimeter screening shall meet Grove City standards in accordance with Chapter 1136. Permissibly open area shall not be included in the opacity determination.
  - a. Screening shall be reasonably uniform in height and opacity along its entire length, provided, however, that screening is not required within one foot (1') of the ground or eight feet (8') above finished grade.
  - b. Plants shall be selected to achieve the height and opacity specified herein within five (5) years of installation and shall be not less than six feet (6') for evergreens, two (2") caliper for deciduous and thirty-six inches (36") for shrubs at the time of installation.
- iii. Two trees shall be provided per residential unit. These trees may not be utilized to fulfill the pond planting requirement. Details for trees and other plantings shall be provided with the Final Development Plan. At a minimum, shade trees and ornamental trees shall be two inch (2") caliper at installation.
- iv. A tree survey shall be provided showing all trees six inch (6") caliper or greater on site.
- k. Parking.
  - i. Each 4-unit building will provide a min. 4 garage spaces and 8 surface spaces, each 6-unit building will provide a min. 7 garage spaces and 8 surface spaces.
  - ii. Additional parking shall be provided at the clubhouse (3 spaces) and at other locations (8 spaces) as shown on Exhibit B - Preliminary Development Plan.
  - iii. No on-street parking shall be permitted on the private streets. The developer shall install "No Parking" signs as directed by the Fire Department. These "No Parking" signs will be decorative and details for these signs will be approved as part of the final development plan.
5. Phasing. The property will be developed in two phases, with the sequence of construction determined by the developer as approved in final engineering.

6. **Condominium Association Responsibilities.** A condominium association will be established by the developer prior to occupancy by any residents. Control of the association shall be turned over to the residents in accordance with Ohio Law Association responsibilities shall include exterior maintenance of all buildings and structures and lawn and landscaping care for all common areas (such as the entryway, lawns, trees, site amenity, retention pond facilities and the like). All association responsibilities and obligations shall be set forth in the Declaration of Condominium prepared and recorded by the developer prior to occupancy.

7. **Architectural Development Standards and Area Requirements.**

a. **Setbacks.**

- i. There shall be a ten foot (10') building and parking side yard setback from east and west property boundary.
- ii. There shall be a thirty foot (30') building and parking setback from the north property boundary.
- iii. There shall be a 40' building and parking setback from the south property boundary.

b. **Building Standards.**

- i. The minimum living area (finished space) of each home shall not be less than 650 square feet.
- ii. The maximum height of any building shall be 25 feet above grade.
- iii. All architectural features shall be as described below or as depicted on the Final Development Plan.

8. **Building Design.**

- a. The exteriors of the buildings shall include any of the following unless equivalents are approved by the Grove City Building Division during the building permit process:
  - i. Vinyl siding (lap & shake) and trim
  - ii. Aluminum or vinyl soffits and fascia
  - iii. Cultured stone
  - iv. Brick
  - v. Single hung, Low-E vinyl windows
  - vi. 25 Year, dimensional architectural shingles
  - vii. 1 and 2-car garage doors

- viii. Faux shutters
  - ix. Dormers
  - x. Other materials used as minor accents subject to approval of the Building Division
- b. Exterior Colors
- i. Siding Colors. Natural earth tones and/or warm neutral colors, including white. High-chroma colors are not permitted.
  - ii. Trim Colors. Natural earth tones and/or warm neutral colors, including white. Complementary or contrasting to siding color. High-chroma colors are not permitted.
  - iii. Roofing Colors. Shingle colors shall be from the color range of natural materials; such as, but not limited to wood shakes, slate, etc.
- c. Garages. All dwellings shall have an attached one or two-car garage.
- d. Accessory Structures. No detached garages, sheds, or other accessory structures shall be permitted.
