ANONYMOUS TIP LINE (614) 277-1808

The Grove City Division of Police provides an Anonymous Tip Line in which the caller can choose to remain anonymous but still be able to give the police information on suspicious activity.

The Tip Line is an automated message system which is checked regularly, but is not intended for calls which need immediate assistance. Tips are investigated by the police. The Tip Line provides a valuable tool for the community to become involved in controlling crime.

WHO SHOULD USE THE ANONYMOUS TIP LINE?

Anyone can use the tip line. But be sure NOT to call it for crimes-in-progress or emergency situations. 911 should be called for emergencies.

THE TIP LINE MAY BE USEFUL IF:

- You suspect criminal activity is going on, and would like the police to be aware.

- You have seen evidence of illegal drug use, prostitution, gang activity, child abuse, or anything that just doesn't 'feel right'.

- You don't want to leave your name, but are concerned about someone who is breaking the law.

WHO SHOULD NOT USE THE ANONYMOUS TIP LINE?

- **DO NOT** call the tip line for immediate help from the police, as it is an automated system. Call (614) 277-1710.

- **DO NOT** call the tip line for crimes in-progress or emergency situations. Always call 911 for emergencies.

SUSPICIOUS ACTIVITY

What type of activities could be suspicious? What should you do about it?

- Alarms sounding or glass being broken.

- Someone loitering around cars or going car to car peering into them.

- Slow-moving vehicles driving aimlessly or circling.

- Apparent business transactions being conducted from a vehicle.

- Someone seen being forced into a vehicle.

- Abandoned vehicle parked on your block.

- Someone seen with a weapon.

- Someone loitering, entering or leaving a business before or after hours.

While some, if not all, of the above situations could have innocent explanations, we would rather prevent illegal activity than be called to investigate a crime after it is committed. Call the police immediately if you witness suspicious activity.

Remember that timely reporting is important! Dial 911 for emergency situations or (614) 277-1710 for non-emergency reporting right away.
