GROVECITY2050 GUIDING PRINCIPLES

In January 2018, the City of Grove City adopted the [GroveCity2050 Community Plan](#) to update the City's plans and policies to proactively shape where and how the community will grow. The Plan contains specific goals, objectives and actions to guide development in Grove City as well as the following five (5) guiding principles:

1. The City's small-town character shall be preserved while continuing to bring additional employment opportunities, residents and amenities to the community.
2. Quality design shall be emphasized for all uses to create an attractive and distinctive public and private realm.
3. Places shall be connected to improve the function of the street network and create safe opportunities to walk, bike and access public transportation throughout the community.
4. Future development shall preserve, protect and enhance the City's natural and built character through sustainable practices, prioritizing parks and open space and emphasizing historic preservation.
5. Development shall provide the City with a net fiscal benefit.
