- aggressive behavior towards an individual
- profanity
- belittlement of players
- violation of the substitution rule.

Anyone who fails to conform their conduct to the preceding code of conduct while attending, coaching, officiating or participating in a youth sports event will be subject to disciplinary action, including but not limited to the following in any order or combination:

- If an individual is ejected from a game for any reason, that individual must leave the facility, is immediately suspended and will not be permitted at any future practices or games until the sports supervisor or a designee has reviewed the incident.
  - The individual ejected, witnesses and the official must submit an incident report explaining the situation that resulted in the ejection.
  - Based upon the information provided, the suspension may result in a minimum of a one game suspension up to permanent removal from all future league activities conducted by Grove City Parks and Recreation.
  - If an individual is ejected from two separate games, that individual will be immediately removed from the league without a refund and will not be permitted at any facility for games for the remainder of the season.
- I agree that youth sports programs play an important role in promoting the physical, social and emotional development of children. Therefore, it is essential for parents, coaches, spectators and officials involved in youth sports events to model good sportsmanship and lead by example by demonstrating fairness, respect and self-control.
  - I accept any penalties that are assessed to me relating to my behavior.
