SECTION 2. Authorized Principal Amount and Purpose; Application of Proceeds. This Council determines that it is necessary and in the best interest of the City to issue bonds of this City in the maximum principal amount of \$4,600,000.00 (the “*Bonds*”) for the purpose of paying the costs of certain capital improvements to the municipal communications system by installing a 10 Gbps fiber network, together with all

necessary appurtenances related thereto (the “*Improvement*”). The Bonds shall be issued pursuant to Chapter 133 of the Ohio Revised Code, the Charter of the City, this Ordinance and the Certificate of Award.

The principal amount of Bonds to be issued shall not exceed the maximum principal amount specified in this Section 2 and shall be an amount determined by the Director of Finance in the Certificate of Award to be the principal amount of Bonds that is required to be issued at this time for the purpose stated in this Section 2, taking into account the costs of the Improvement, the estimates of the Financing Costs and the interest rates on the Bonds.

The proceeds from the sale of the Bonds received by the City (or withheld by the Original Purchaser on behalf of the City) shall be paid into the proper fund or funds, and those proceeds are hereby appropriated and shall be used for the purpose for which the Bonds are being issued, including without limitation but only to the extent not paid by others, the payment of the costs of issuing and servicing the Bonds, printing and delivery of the Bonds, legal services including obtaining the approving legal opinion of bond counsel, fees and expenses of any municipal advisor, paying agent and rating agency, any fees or premiums relating to municipal bond insurance or other security arrangements determined necessary by the Director of Finance, and all other Financing Costs and costs incurred incidental to those purposes. The Certificate of Award and the Purchase Agreement (if any) may authorize the Original Purchaser to withhold certain proceeds from the purchase price of the Bonds to provide for the payment of Financing Costs related to the Bonds on behalf of the City. Any portion of those proceeds received by the City representing premium (after payment of any Financing Costs identified in the Certificate of Award and the Purchase Agreement (if any)) or accrued interest shall be paid into the Bond Retirement Fund.

SECTION 3. Denominations; Dating; Principal and Interest Payment and Redemption Provisions. The Bonds shall be issued in one lot and only as fully registered bonds, in Authorized Denominations, but in no case as to a particular maturity date exceeding the principal amount maturing on that date. The Bonds shall be dated as provided in the Certificate of Award, *provided* that their dated date shall not be more than sixty (60) days prior to the Closing Date. If requested by the Original Purchaser, the Director of Finance is hereby authorized to prepare one bond representing the aggregate principal amount of Bonds maturing on all of the Principal Payment Dates, all as set forth in the Certificate of Award.

(a) **Interest Rates and Payment Dates.** The Bonds shall bear interest at the rate or rates per year and computed on the basis as shall be determined by the Director of Finance, subject to subsection (c) of this Section 3, in the Certificate of Award. Interest on the Bonds shall be payable at such rate or rates on the Interest Payment Dates until the principal amount has been paid or provided for. The Bonds shall bear interest from the most recent date to which interest has been paid or provided for or, if no interest has been paid or provided for, from their date.

(b) **Principal Payment Schedule.** The Bonds shall mature or be payable pursuant to Mandatory Sinking Fund Redemption Requirements on the Principal Payment Dates in principal amounts as shall be determined by the Director of Finance, subject to subsection (c) of this Section 3, in the Certificate of Award, which determination shall be in the best interest of and financially advantageous to the City.

Consistent with the foregoing and in accordance with the determination of the best interest of and financial advantages to the City, the Director of Finance shall specify in the Certificate of Award (i) the aggregate principal amount of Bonds to be issued as Serial Bonds, the Principal Payment Date or Dates on which those Bonds shall be stated to mature and the principal amount thereof that shall be stated to mature on each such Principal Payment Date and (ii) the aggregate principal amount of Bonds to be issued as Term Bonds, the Principal Payment Date or Dates on which those Bonds shall be stated to mature, the principal amount thereof that shall be stated to mature on each such Principal Payment Date, the Principal Payment Date or Dates on which Term Bonds shall be subject to mandatory sinking fund redemption (each a “*Mandatory Redemption Date*”) and the principal amount thereof that shall be payable pursuant to Mandatory Sinking Fund Redemption Requirements on each Mandatory Redemption Date.

(c) Conditions for Establishment of Interest Rates and Principal Payment Dates and Amounts. The rate or rates of interest per year to be borne by the Bonds and the principal amount of Bonds maturing or payable pursuant to Mandatory Sinking Fund Redemption Requirements on each Principal Payment Date, shall be such that the total principal and interest payments on the Bonds in any fiscal year in which principal is payable is not more than three times the amount of those payments in any other fiscal year. The net interest cost for the Bonds determined by taking into account the respective principal amounts of the Bonds and terms to maturity or Mandatory Sinking Fund Redemption Requirements of those principal amounts of Bonds shall not exceed 6.00%.

(d) Payment of Debt Charges. The debt charges on the Bonds shall be payable in lawful money of the United States of America without deduction for the services of the Bond Registrar as paying agent. Principal of and any premium on the Bonds shall be payable when due upon presentation and surrender of the Bonds at the main office of the Bond Registrar; *provided, however,* to the extent that the Bonds are represented by a single Term Bond as permitted by this Section 3, principal of the Bonds which is redeemed pursuant to a Mandatory Sinking Fund Redemption Requirement shall be payable when due without prior presentation or surrender of the Bond but redemption of such principal shall be duly endorsed on the Bond Register, and in the case of the final principal payment due hereunder, surrender of the Bond at the main office of the Bond Registrar. Interest on a Bond shall be paid on each Interest Payment Date by check or draft mailed to the person in whose name the Bond was registered, and to that person's address appearing, on the Bond Register at the close of business on the 15th day of the calendar month next preceding that Interest Payment Date.

(e) Redemption Provisions. The Bonds shall be subject to redemption prior to stated maturity as follows:

(i) Mandatory Sinking Fund Redemption of Term Bonds. If any of the Bonds are issued as Term Bonds, the Term Bonds shall be subject to mandatory redemption in part by lot and be redeemed pursuant to mandatory sinking fund redemption requirements, at a redemption price of 100% of the principal amount redeemed, plus accrued interest to the redemption date, on the applicable Mandatory Redemption Dates and in the principal amounts payable on those Dates, for which provision is made in the Certificate of Award (such Dates and amounts being referred to as the "*Mandatory Sinking Fund Redemption Requirements*").

The aggregate of the moneys to be deposited with the Bond Registrar for payment of principal of and interest on any Term Bonds on each Mandatory Redemption Date shall include an amount sufficient to redeem on that Date the principal amount of Term Bonds payable on that Date pursuant to the Mandatory Sinking Fund Redemption Requirements (less the amount of any credit as hereinafter provided).

The City shall have the option to deliver to the Bond Registrar for cancellation Term Bonds in any aggregate principal amount and to receive a credit against the then current or any subsequent Mandatory Sinking Fund Redemption Requirement (and corresponding mandatory redemption obligation) of the City, as specified by the Director of Finance, for Term Bonds stated to mature on the same Principal Payment Date and bearing interest at the same rate as the Term Bonds so delivered. That option shall be exercised by the City on or before the 45th day preceding any Mandatory Redemption Date with respect to which the City wishes to obtain a credit, by furnishing the Bond Registrar a certificate, signed by the Director of Finance, setting forth the extent of the credit to be applied with respect to the then current or any subsequent Mandatory Sinking Fund Redemption Requirement for Term Bonds stated to mature on the same Principal Payment Date and bearing interest at the same rate as the Term Bonds so delivered. If the certificate is not timely furnished to the Bond Registrar, the current Mandatory Sinking Fund Redemption Requirement (and corresponding mandatory redemption obligation) shall not be reduced. A credit against the then current or any subsequent Mandatory Sinking Fund Redemption Requirement (and corresponding mandatory redemption obligation), as specified by the Director of Finance, also shall be received by the City for any Term Bonds which prior thereto have

been redeemed (other than through the operation of the applicable Mandatory Sinking Fund Redemption Requirements) or purchased for cancellation and canceled by the Bond Registrar, to the extent not applied theretofore as a credit against any Mandatory Sinking Fund Redemption Requirement, for Term Bonds stated to mature on the same Principal Payment Date and bearing interest at the same rate as the Term Bonds so delivered, redeemed or purchased and canceled.

Each Term Bond so delivered, or previously redeemed, or purchased and canceled, shall be credited by the Bond Registrar at 100% of the principal amount thereof against the then current or subsequent Mandatory Sinking Fund Redemption Requirements (and corresponding mandatory redemption obligations), as specified by the Director of Finance, for Term Bonds stated to mature on the same Principal Payment Date and bearing interest at the same rate as the Term Bonds so delivered, redeemed or purchased and canceled.

(ii) Optional Redemption. The Bonds of the maturities and interest rates specified in the Certificate of Award (if any are so specified) shall be subject to optional redemption by and at the sole option of the City, in whole or in part in Authorized Denominations, on the dates and at the redemption prices (expressed as a percentage of the principal amount to be redeemed), plus accrued interest to the redemption date, to be determined by the Director of Finance in the Certificate of Award; *provided* that the redemption price for any optional redemption date shall not be greater than 103%.

If optional redemption of Term Bonds at a redemption price exceeding 100% of the principal amount to be redeemed is to take place as of any Mandatory Redemption Date applicable to those Term Bonds, the Term Bonds, or portions thereof, to be redeemed optionally shall be selected by lot prior to the selection by lot of the Term Bonds of the same maturity (and interest rate within a maturity if applicable) to be redeemed on the same date by operation of the Mandatory Sinking Fund Redemption Requirements. Bonds to be redeemed pursuant to this paragraph shall be redeemed only upon written notice from the Director of Finance to the Bond Registrar, given upon the direction of the City by passage of an ordinance or adoption of a resolution. That notice shall specify the redemption date and the principal amount of each maturity (and interest rate within a maturity if applicable) of Bonds to be redeemed, and shall be given at least 45 days prior to the redemption date or such shorter period as shall be acceptable to the Bond Registrar.

(iii) Partial Redemption. If fewer than all of the outstanding Bonds are called for optional redemption at one time and Bonds of more than one maturity (or interest rate within a maturity if applicable) are then outstanding, the Bonds that are called shall be Bonds of the maturity or maturities and interest rate or rates selected by the City. If fewer than all of the Bonds of a single maturity (or interest rate within a maturity if applicable) are to be redeemed, the selection of Bonds of that maturity (or interest rate within a maturity if applicable) to be redeemed, or portions thereof in Authorized Denominations, shall be made by the Bond Registrar by lot in a manner determined by the Bond Registrar. In the case of a partial redemption of Bonds by lot when Bonds of denominations greater than the Authorized Denominations are then outstanding, each Authorized Denomination unit of principal thereof shall be treated as if it were a separate Bond of the Authorized Denomination. If it is determined that one or more, but not all, of the Authorized Denomination units of principal amount represented by a Bond are to be called for redemption, then, upon notice of redemption of an Authorized Denomination unit or units, the registered owner of that Bond shall surrender the Bond to the Bond Registrar (A) for payment of the redemption price of the Authorized Denomination unit or units of principal amount called for redemption (including, without limitation, the interest accrued to the date fixed for redemption and any premium), and (B) for issuance, without charge to the registered owner, of a new Bond or Bonds of any Authorized Denomination or Denominations in an aggregate principal amount equal to the unmatured and unredeemed portion of, and bearing interest at the same rate and maturing on the same date as, the Bond surrendered.

(iv) Notice of Redemption. The notice of the call for redemption of Bonds shall identify (A) by designation, letters, numbers or other distinguishing marks, the Bonds or portions thereof to be redeemed, (B) the redemption price to be paid, (C) the date fixed for redemption, and (D) the place or places where the amounts due upon redemption are payable. The notice shall be given by the Bond Registrar on behalf of the City by mailing a copy of the redemption notice by first-class mail, postage prepaid, at least 30 days prior to the date fixed for redemption, to the registered owner of each Bond subject to redemption in whole or in part at the registered owner's address shown on the Bond Register maintained by the Bond Registrar at the close of business on the 15th day preceding that mailing. Failure to receive notice by mail or any defect in that notice regarding any Bond, however, shall not affect the validity of the proceedings for the redemption of any Bond.

(v) Payment of Redeemed Bonds. In the event that notice of redemption shall have been given by the Bond Registrar to the registered owners as provided above, there shall be deposited with the Bond Registrar on or prior to the redemption date, moneys that, in addition to any other moneys available therefor and held by the Bond Registrar, will be sufficient to redeem at the redemption price thereof, plus accrued interest to the redemption date, all of the redeemable Bonds for which notice of redemption has been given. Notice having been mailed in the manner provided in the preceding paragraph hereof, the Bonds and portions thereof called for redemption shall become due and payable on the redemption date, and, subject to the provisions of Section 3(d), upon presentation and surrender thereof at the place or places specified in that notice, shall be paid at the redemption price, plus accrued interest to the redemption date. If moneys for the redemption of all of the Bonds and portions thereof to be redeemed, together with accrued interest thereon to the redemption date, are held by the Bond Registrar on the redemption date, so as to be available therefor on that date and, if notice of redemption has been deposited in the mail as aforesaid, then from and after the redemption date those Bonds and portions thereof called for redemption shall cease to bear interest and no longer shall be considered to be outstanding. If those moneys shall not be so available on the redemption date, or that notice shall not have been deposited in the mail as aforesaid, those Bonds and portions thereof shall continue to bear interest, until they are paid, at the same rate as they would have borne had they not been called for redemption. All moneys held by the Bond Registrar for the redemption of particular Bonds shall be held in trust for the account of the registered owners thereof and shall be paid to them, respectively, upon presentation and surrender of those Bonds, *provided* that any interest earned on the moneys so held by the Bond Registrar shall be for the account of and paid to the City to the extent not required for the payment of the Bonds called for redemption.

SECTION 4. Execution and Authentication of Bonds; Appointment of Bond Registrar. The Bonds shall be signed by the Mayor and the Director of Finance, in the name of the City and in their official capacities, *provided* that either or both of those signatures may be a facsimile. The Bonds shall be issued in the Authorized Denominations and numbers as requested by the Original Purchaser and approved by the Director of Finance, shall be numbered as determined by the Director of Finance in order to distinguish each Bond from any other Bond, and shall express upon their faces the purpose, in summary terms, for which they are issued and that they are issued pursuant to Chapter 133 of the Ohio Revised Code, the Charter of the City, this Ordinance and the Certificate of Award.

The Director of Finance is hereby authorized to designate in the Certificate of Award the Director of Finance, the Original Purchaser or a bank or trust company authorized to do business in the State of Ohio to act as the initial Bond Registrar. The Director of Finance shall provide for the payment of the services rendered and for reimbursement of expenses incurred pursuant to the Certificate of Award, except to the extent paid or reimbursed by the Original Purchaser in accordance with the Certificate of Award and the Purchase Agreement (if any), from the proceeds of the Bonds to the extent available and then from other money lawfully available and appropriated or to be appropriated for that purpose.

No Bond shall be valid or obligatory for any purpose or shall be entitled to any security or benefit under the Bond Proceedings unless and until the certificate of authentication printed on the Bond is signed by the

Bond Registrar as authenticating agent. Authentication by the Bond Registrar shall be conclusive evidence that the Bond so authenticated has been duly issued, signed and delivered under, and is entitled to the security and benefit of, the Bond Proceedings. The certificate of authentication may be signed by any authorized officer or employee of the Bond Registrar or by any other person acting as an agent of the Bond Registrar and approved by the Director of Finance on behalf of the City. The same person need not sign the certificate of authentication on all of the Bonds.

SECTION 5. Registration; Transfer and Exchange.

(a) **Bond Register.** So long as any of the Bonds remain outstanding, the City will cause the Bond Registrar to maintain and keep the Bond Register at its main office. Subject to the provisions of Section 3(d), the person in whose name a Bond is registered on the Bond Register shall be regarded as the absolute owner of that Bond for all purposes of the Bond Proceedings. Payment of or on account of the debt charges on any Bond shall be made only to or upon the order of that person; neither the City nor the Bond Registrar shall be affected by any notice to the contrary, but the registration may be changed as provided in this Section 5. All such payments shall be valid and effectual to satisfy and discharge the City's liability upon the Bond, including interest, to the extent of the amount or amounts so paid.

(b) **Transfer and Exchange.** Any Bond may be exchanged for Bonds of any Authorized Denomination upon presentation and surrender at the main office of the Bond Registrar, together with a request for exchange signed by the registered owner or by a person legally empowered to do so in a form satisfactory to the Bond Registrar. A Bond may be transferred only on the Bond Register upon presentation and surrender of the Bond at the main office of the Bond Registrar together with an assignment signed by the registered owner or by a person legally empowered to do so in a form satisfactory to the Bond Registrar. Upon exchange or transfer the Bond Registrar shall complete, authenticate and deliver a new Bond or Bonds of any Authorized Denomination or Denominations requested by the owner equal in the aggregate to the unmatured principal amount of the Bond surrendered and bearing interest at the same rate and maturing on the same date.

If manual signatures on behalf of the City are required, the Bond Registrar shall undertake the exchange or transfer of Bonds only after the new Bonds are signed by the authorized officers of the City. In all cases of Bonds exchanged or transferred, the City shall sign and the Bond Registrar shall authenticate and deliver Bonds in accordance with the provisions of the Bond Proceedings. The exchange or transfer shall be without charge to the owner, except that the City and Bond Registrar may make a charge sufficient to reimburse them for any tax or other governmental charge required to be paid with respect to the exchange or transfer. The City or the Bond Registrar may require that those charges, if any, be paid before the procedure is begun for the exchange or transfer. All Bonds issued and authenticated upon any exchange or transfer shall be valid obligations of the City, evidencing the same debt, and entitled to the same security and benefit under the Bond Proceedings as the Bonds surrendered upon that exchange or transfer. Neither the City nor the Bond Registrar shall be required to make any exchange or transfer of (i) Bonds then subject to call for redemption between the 15th day preceding the mailing of notice of Bonds to be redeemed and the date of that mailing, or (ii) any Bond selected for redemption, in whole or in part.

SECTION 6. Sale of the Bonds to the Original Purchaser. The Director of Finance is authorized to sell the Bonds at private sale to the Original Purchaser at a purchase price, not less than 97% of the aggregate principal amount thereof, as shall be determined by the Director of Finance in the Certificate of Award, plus accrued interest (if any) on the Bonds from their date to the Closing Date, and shall be awarded by the Director of Finance with and upon such other terms as are required or authorized by this Ordinance to be specified in the Certificate of Award, in accordance with law and the provisions of this Ordinance and the Purchase Agreement (if any). The Director of Finance is authorized, if it is determined to be in the best interest of the City, to combine the issue of Bonds with one or more other bond issues of the City into a consolidated bond issue pursuant to Section 133.30(B) of the Ohio Revised Code in which case a single Certificate of Award may be utilized for the consolidated bond issue if appropriate and consistent with the terms of this Ordinance.

The Director of Finance shall sign and deliver the Certificate of Award and shall cause the Bonds to be prepared and signed and delivered, together with a true transcript of proceedings with reference to the issuance of the Bonds, to the Original Purchaser upon payment of the purchase price.

To the extent that the Director of Finance determines it would be financially advantageous to the City, the Mayor and the Director of Finance shall sign and deliver, in the name and on behalf of the City, the Purchase Agreement between the City and the Original Purchaser, in substantially the form as is now on file with the Clerk of Council, providing for the sale to, and the purchase by, the Original Purchaser of the Bonds. The Purchase Agreement is approved, together with any changes or amendments that are not inconsistent with this Ordinance and not substantially adverse to the City and that are approved by the Mayor and the Director of Finance on behalf of the City, all of which shall be conclusively evidenced by the signing of the Purchase Agreement or amendments thereto.

The Mayor, the Director of Finance, the Director of Law, the Clerk of Council and other City officials, as appropriate, are each authorized and directed to sign any transcript certificates, financial statements and other documents and instruments and to take such actions as are necessary or appropriate to consummate the transactions contemplated by this Ordinance. The actions of the Mayor, the Director of Finance, the Director of Law, the Clerk of Council or other City official, as appropriate, in doing any and all acts necessary in connection with the issuance and sale of the Bonds are hereby ratified and confirmed.

SECTION 7. Provision for Tax Levy. There shall be levied on all the taxable property in the City, in addition to all other taxes, a direct tax annually during the period the Bonds are outstanding in an amount sufficient to pay the debt charges on the Bonds when due, which tax shall not be less than the interest and sinking fund tax required by Section 11 of Article XII of the Ohio Constitution. The tax shall be within the four-mill limitation imposed by the Charter of the City, shall be and is ordered computed, certified, levied and extended upon the tax duplicate and collected by the same officers, in the same manner and at the same time that taxes for general purposes for each of those years are certified, levied, extended and collected, and shall be placed before and in preference to all other items and for the full amount thereof. The proceeds of the tax levy shall be placed in the Bond Retirement Fund, which is irrevocably pledged for the payment of the debt charges on the Bonds when and as the same fall due.

In each year to the extent receipts from the City's municipal income tax are available for the payment of the debt charges on the Bonds and are appropriated for that purpose, the amount of the tax shall be reduced by the amount of such receipts so available and appropriated in compliance with the following covenant. To the extent necessary, the debt charges on the Bonds shall be paid from municipal income taxes lawfully available therefor under the Constitution and the laws of the State of Ohio and the Charter of the City; and the City hereby covenants, subject and pursuant to such authority, including particularly Section 133.05(B)(7) of the Ohio Revised Code, to appropriate annually from such municipal income taxes such amount as is necessary to meet such annual debt charges.

Nothing in the preceding paragraph in any way diminishes the irrevocable pledge of the full faith and credit and general property taxing power of the City to the prompt payment of the debt charges on the Bonds.

SECTION 8. Federal Tax Considerations. The City covenants that it will use, and will restrict the use and investment of, the proceeds of the Bonds in such manner and to such extent as may be necessary so that (a) the Bonds will not (i) constitute private activity bonds or arbitrage bonds under Sections 141 or 148 of the Code or (ii) be treated other than as bonds the interest on which is excluded from gross income under Section 103 of the Code, and (b) the interest on the Bonds will not be an item of tax preference under Section 57 of the Code.

The City further covenants that (a) it will take or cause to be taken such actions that may be required of it for the interest on the Bonds to be and remain excluded from gross income for federal income tax purposes, (b) it will not take or authorize to be taken any actions that would adversely affect that exclusion, and (c) it, or

persons acting for it, will, among other acts of compliance, (i) apply the proceeds of the Bonds to the governmental purpose of the borrowing, (ii) restrict the yield on investment property, (iii) make timely and adequate payments to the federal government, (iv) maintain books and records and make calculations and reports and (v) refrain from certain uses of those proceeds, and, as applicable, of property financed with such proceeds, all in such manner and to the extent necessary to assure such exclusion of that interest under the Code.

The Director of Finance or any other officer of the City having responsibility for issuance of the Bonds is hereby authorized (a) to make or effect any election, selection, designation, choice, consent, approval, or waiver on behalf of the City with respect to the Bonds as the City is permitted to or required to make or give under the federal income tax laws, including, without limitation thereto, any of the elections available under Section 148 of the Code, for the purpose of assuring, enhancing or protecting favorable tax treatment or status of the Bonds or interest thereon or assisting compliance with requirements for that purpose, reducing the burden or expense of such compliance, reducing the rebate amount or payments or penalties with respect to the Bonds, or making payments of special amounts in lieu of making computations to determine, or paying, excess earnings as rebate, or obviating those amounts or payments with respect to the Bonds, which action shall be in writing and signed by the officer, (b) to take any and all other actions, make or obtain calculations, make payments, and make or give reports, covenants and certifications of and on behalf of the City, as may be appropriate to assure the exclusion of interest from gross income and the intended tax status of the Bonds, and (c) to give one or more appropriate certificates of the City, for inclusion in the transcript of proceedings for the Bonds, setting forth the reasonable expectations of the City regarding the amount and use of all the proceeds of the Bonds, the facts, circumstances and estimates on which they are based, and other facts and circumstances relevant to the tax treatment of the interest on and the tax status of the Bonds. The Director of Finance or any other officer of the City having responsibility for issuance of the Bonds is specifically authorized to designate the Bonds as "qualified tax-exempt obligations" if such designation is applicable and desirable, and to make any related necessary representations and covenants.

SECTION 9. Rating, Bond Insurance and Financing Costs.

(a) Application for Rating or Bond Insurance. If, in the judgment of the Director of Finance, the filing of an application for (i) a rating on the Bonds by one or more nationally-recognized rating agencies, or (ii) a policy of insurance from a company or companies to better assure the payment of principal of and interest on the Bonds, is in the best interest of and financially advantageous to this City, the Director of Finance is authorized to prepare and submit those applications, to provide to each such agency or company such information as may be required for the purpose, and to provide further for the payment of the cost of obtaining each such rating or policy, except to the extent otherwise paid in accordance with the Certificate of Award or the Purchase Agreement (if any), from the proceeds of the Bonds to the extent available and otherwise from any other funds lawfully available and that are appropriated or shall be appropriated for that purpose. The Director of Finance is hereby authorized, to the extent necessary or required, to enter into any agreements, in the name of and on behalf of the City, that the Director of Finance determines to be necessary in connection with the obtaining of that bond insurance.

(b) Financing Costs. The expenditure of the amounts necessary to pay any Financing Costs in connection with the Bonds, to the extent not paid by the Original Purchaser in accordance with the Certificate of Award and the Purchase Agreement (if any), is authorized and approved, and the Director of Finance is authorized to provide for the payment of any such amounts and costs from the proceeds of the Bonds to the extent available and otherwise from any other funds lawfully available that are appropriated or shall be appropriated for that purpose.

SECTION 10. Bond Counsel. The legal services of the law firm of Squire Patton Boggs (US) LLP are hereby retained. Those legal services shall be in the nature of legal advice and recommendations as to the documents and the proceedings in connection with the authorization, sale and issuance of the Bonds and rendering at delivery related legal opinions. In providing those legal services, as an independent contractor and

in an attorney-client relationship, that firm shall not exercise any administrative discretion on behalf of this City in the formulation of public policy, expenditure of public funds, enforcement of laws, rules and regulations of the State, any county or municipal corporation or of this City, or the execution of public trusts. For those legal services that firm shall be paid just and reasonable compensation and shall be reimbursed for actual out-of-pocket expenses incurred in providing those legal services. The Director of Finance is authorized and directed to make appropriate certification as to the availability of funds for those fees and any reimbursement and to issue an appropriate order for their timely payment as written statements are submitted by that firm. The amounts necessary to pay those fees and any reimbursement are hereby appropriated from the proceeds of the Bonds, if available, and otherwise from available moneys in the General Fund.

SECTION 11. Municipal Advisor. The services of H.J. Umbaugh & Associates, Certified Public Accountants, LLP, as municipal advisor, are hereby retained. The municipal advisory services shall be in the nature of financial advice and recommendations in connection with the issuance and sale of the Bonds. In rendering those municipal advisory services, as an independent contractor, that firm shall not exercise any administrative discretion on behalf of the City in the formulation of public policy, expenditure of public funds, enforcement of laws, rules and regulations of the State, the City or any other political subdivision, or the execution of public trusts. That firm shall be paid just and reasonable compensation for those municipal advisory services and shall be reimbursed for the actual out-of-pocket expenses it incurs in rendering those municipal advisory services. The Director of Finance is authorized and directed to make appropriate certification as to the availability of funds for those fees and any reimbursement and to issue an appropriate order for their timely payment as written statements are submitted by that firm. The amounts necessary to pay those fees and any reimbursement are hereby appropriated from the proceeds of the Bonds, if available, and otherwise from available moneys in the General Fund.

SECTION 12. Certification and Delivery of Ordinance and Certificate of Award. The Clerk of Council is directed to promptly deliver or cause to be delivered a certified copy of this Ordinance and an executed copy of the Certificate of Award to the County Auditor of Franklin County, Ohio.

SECTION 13. Satisfaction of Conditions for Bond Issuance. This Council determines that all acts and conditions necessary to be done or performed by the City or to have been met precedent to and in the issuing of the Bonds in order to make them legal, valid and binding general obligations of the City have been performed and have been met, or will at the time of delivery of the Bonds have been performed and have been met, in regular and due form as required by law; that the full faith and credit and general property taxing power (as described in Section 7) of the City are pledged for the timely payment of the debt charges on the Bonds; that no statutory or constitutional limitation of indebtedness or taxation will have been exceeded in the issuance of the Bonds; and that the Bonds are being authorized and issued pursuant to Chapter 133 of the Ohio Revised Code, the Charter of the City, this Ordinance, the Certificate of Award and other authorizing provisions of law.

SECTION 14. Compliance with Open Meeting Requirements. This Council finds and determines that all formal actions of this Council and any of its committees concerning and relating to the passage of this Ordinance were taken in an open meeting of this Council or any of its committees, and that all deliberations of this Council and of any of its committees that resulted in those formal actions were in meetings open to the public, all in compliance with the law, including Section 121.22 of the Ohio Revised Code.

SECTION 15. Effective Date. This Ordinance shall take effect at the earliest opportunity allowed by law.

**COOPERATION AGREEMENT
FOR
COMMUNITY DEVELOPMENT BLOCK GRANT PROGRAM
RENEWAL AND EXTENSION
EXHIBIT "A"**

WHEREAS, the agreement, made and concluded at Franklin County, Ohio, this _____ day of _____, 2017, by and between the Board of County Commissioners of Franklin County, Ohio, being duly authorized in the premises by the provisions of a resolution adopted on _____, hereinafter referred to as "Board" and the city/village/township/township of _____ (Name), its _____ (Chief Executive Officer), or _____ being duly authorized in the premises by the provisions of resolution/ordinance no. _____ dated _____, 2017 hereinafter referred to as "city/village/township/township":

NOW THEREFORE, it is hereby agreed by and between the parties hereto, upon the considerations herein set forth as follows:

1. Board and _____ (city/village/township/township) will cooperate in the undertaking or assist in the undertaking of essential community renewal and lower income housing assistance activities as funded through the Department of Housing & Urban Development (HUD) Community Development Block Grant and HOME Investment Partnership programs for the period of April 1, 2018 through March 31, 2021. The parties further agree not to obstruct or restrict the implementation of the County's approved Consolidated Plan during the course of this agreement. All of these aforementioned activities shall be carried out in accordance with CDBG and HOME program rules and regulations and the applicable provisions of the Ohio Revised Code, including but not limited to the Community and Economic Development Act of 1974 (Public Law 93-383, 42 U.S.C. 5301) as amended, and Section 570.105 b 3 (iii), Community Development Block Grant Rules and Regulations.
2. County-wide community development plans and projects, program budgets and the needs and goals established in the Consolidated Plan and amendments thereto, shall be binding on said Board and _____ (city/village/township/township) for the Forty fourth, Forty fifth and Forty sixth program years of the afore cited HUD entitlement programs, which end March 31, 2021 and for such additional time as may be required for the expenditure of funds and completion of funded activities granted to the county and any program income received for such period.
3. This agreement is for the Program Year 2018, 2019 and 2020, April 1, 2018, through March 31, 2021, and may not be terminated by either party, except if the County fails to qualify as an urban county or if the County does not receive a grant in any year of this period, in which case this agreement is null and void. The parties further agree that this agreement will remain in effect until the CDBG and/or HOME and/or ESG funds and program income received with respect to this three year period are expended and the funded activities completed. This agreement will be automatically renewed for the successive three year period

(2021, 2022 and 2023) and each period thereafter unless the city/village/township/township cancels the agreement with written notice on or before June 30 of the prior program year. Both the city/village/township/township and the County will adopt any amendment to the agreement incorporating changes necessary to meet the requirements for cooperation agreements set forth in an Urban County Qualification Notice applicable for a subsequent three-year urban county qualification period; will submit such amendment to HUD as provided in the urban county qualification notice; and recognizes that such failure to comply will void the automatic renewal for such qualification period.

4. The Agreement gives the Board the authority to carry out the activities funded from annual Community Development Block and HOME Grants from Federal Fiscal Years 2018, 2019 and 2020 appropriations, and from any program income generated from the expenditure of such funds. The _____ (city/village/township/township) must inform the Board of any program income generated through the expenditure of those funds. Said program income must be returned to the county. If any program income is authorized to be retained by the _____ (city/village/township/township), it may only be used for eligible activities in accordance with all CDBG requirements.

That the Board has the responsibility for monitoring and reporting to HUD on the use of any such program income thereby requires appropriate record keeping and reporting by the participating unit as may be needed for this purpose; and, that in the event of close-out or change in status of the participating unit, any program income that is on hand or received subsequent to the close-out or change in status shall also be returned to the county.

During the period of qualification no included unit of general local government may withdraw from the urban county recertification agreement unless the urban county does not receive a CDBG of HOME grant for any year during such period.

5. The Department of Economic Development and Planning (EDP) is authorized to act for the Board and is accepted by _____ (city/village/township) as an agent of the Board in planning, administering, and overall coordinating the programs, which are the subject of this agreement.
6. It is accepted by _____ (city/village/township) that the County's HUD entitlement program, the programs it chooses to fund and the priorities it chooses to address reflect the needs of the entire county.
7. The following standards shall apply to real property acquired or improved in whole or in part using CDBG funds that is within the control of a participating unit of local government:

The _____ (city/village/township) will notify the Board as soon as it knows of any modification or change in the use of the real property from that planned at the time of acquisition or improvement including disposition;

The _____ (city/village/township) will be required to reimburse the Board in the full amount equal to the current fair market value (less any portion thereof attributable to expenditures of non-CDBG funds) of property

acquired or improved with CDBG funds that is sold or transferred for a use which does not qualify under the CDBG regulations; and,

Treatment of program income generated from the disposition or transfer of property prior to or subsequent to the close-out, change of status or termination of the cooperation agreement between the Board and the participating unit, will be subject to the provisions of Section 3 of this same Agreement.

The policies/procedures of the Franklin County HUD Entitlement Program will apply to any projects involving acquisition, whereby EDP will be notified during the planning and design process of any approved project, where applicable land acquisitions and other items are subject to the Uniform Relocation and Real Properties Acquisition Policies Act of 1970.

8. The _____ (city/village/township) pursuant to 24 CFR 570.501 (b) is subject to the same requirements applicable to subrecipients, including the requirements of a written agreement set forth in 24 CFR 570.503.

Section 570.503, Code of Federal Regulations, requires the Board and any participating unit of local government execute a written agreement prior to the disbursement of any federal funds. As such, Franklin County has prepared a Template Funding Agreement, which must be executed. This agreement includes certain administrative, legal and financial procedures, which define the responsibilities of the grantor and grantee. The Agreement shall remain in effect during any period that the subrecipient has control over CDBG funds, including program income.

At a minimum, this written Funding Agreement shall contain provisions as prescribed in the Code of Federal Regulations concerning: Statement of Work; Records and record keeping; Program Income; OMB Circulars; Other program requirements; except that the County is responsible for initiating the review process under Executive Order 12372; Suspension and Termination; and reversion of assets meeting the prescribed criteria; and disposing of assets in a manner comparable to that described in the aforementioned Code of Federal Regulations.

9. _____ (city/village/township) is included in Franklin County for the purpose of planning and implementing the Franklin County HUD Entitlement Program. _____ (city/village/township) shall not apply for separate grants under the Small Cities or State CDBG Programs from appropriations for fiscal years during the period in which it is participating in the urban county's CDBG program; and _____ (city/village/township) may not participate in a HOME consortium except through Franklin County, regardless of whether or not Franklin County receives a HOME formula allocation.
10. No Community Development Block Grant and HOME Investment Partnership Program funds provided by Franklin County under this Agreement may be used for activities in or in support of any cooperating unit of general local government that does not affirmatively further fair housing within its own jurisdiction or that impedes Franklin County's actions to comply with its fair housing certification.

11. Cities/Villages and counties in Ohio have authority under Section 307.15 of the Ohio Revised Code to enter into agreements whereby a Board of County Commissioners undertakes, and is authorized by the contracting subdivision, to exercise any power, perform any function, or render any service, in behalf of the city/village/township, which such city/village/township may exercise, perform or render; and
12. The city/village/township and the County each have authority to carry out the kinds of activities which are the objectives of the Act pursuant to Section 303.26 of the Ohio Revised Code, et. seq.; and
13. _____(City/village/township) elects to include the total areas and population of its corporation in Franklin County for the purpose of planning and implementing the Franklin County HUD Entitlement program.

NOW THEREFORE, the Board, in consideration of the promises and agreements of _____(city/village/township) herein set forth, hereby promises and agrees as follows:

1. That it or its agent shall prepare the local portion of the County-wide Consolidated Plan based upon information as to needs, objectives, plans, and programs supplied by _____(city/village/township) or its agent, pursuant to the applicable rules and regulations governing the Community Development Block Grant and the HOME Investment Partnership Programs.
2. Board assumes full responsibility and all obligations for preparation of the application and execution of the program including, but not limited to, the analysis of needs, setting of objectives, development of plans, programs, and budgets, and furnishing assurances and certifications. Board is also responsible for the accomplishment of goals set forth in its Consolidated Plan.
3. Board shall prepare and submit to the appropriate Federal Agency, the Franklin County HUD Entitlement program submission, and assume all related responsibilities as to said submission.
4. Board shall acquire as applicable, by purchase or condemnation, land and structures thereon for property or easements needed in connection with the Franklin County HUD Entitlement program, which is the subject of the agreement, title to said property and easements to be taken in the name of _____(city/village/township). Said acquisition procedures shall be accomplished in accordance with applicable provisions of the Uniform Relocation and Real Properties Acquisition Policies Act of 1970 as amended and the Ohio Revised Code.

WHEREAS, in consideration of the promises and agreements of the Board herein set forth, the _____(city/village/township) hereby promises and agrees as follows:

1. That it will promptly submit to the Board its needs, objectives, plans, required reports and programs for preparation by the Board of the local portion of the Consolidated Plan.
2. That it will implement plans concerning community development and HOME activities prepared by the Board, however, the Board shall retain full responsibility and obligations for preparation and implementation of said plans.
3. That it will take all actions with the Board that are necessary to assure compliance with the urban county's certification required by Section 104 (b) of Title I of the Community and Economic Development Act of 1974, as amended, including Title VI of the Civil Rights Act of 1964, the Fair Housing Act, Section 109 of Title I of the Community and Economic Development Act of 1974, as amended; the Americans with Disabilities Act of 1990; and other applicable laws.
4. That it may not sell, trade, or otherwise transfer all or any portion of the funds (identified under this agreement) to another such metropolitan city, urban county, unit of general local government, or Indian tribe, or insular area that directly or indirectly receives CDBG funds in exchange for any other funds, credits or non-Federal considerations, but must use such funds for activities eligible under title I of the Act.
5. The city/village/township of _____ has adopted and is enforcing:
 - a. a policy prohibiting the use of excessive force by law enforcement agencies within its jurisdiction against any individuals engaged in non-violent civil rights demonstrations; and
 - b. a policy of enforcing applicable State and local laws against physically barring entrance to or exit from a facility or location which is the subject of such non-violent civil rights demonstrations within jurisdictions.

The Board, however, shall retain primary responsibility for implementing compliance.

IN WITNESS WHEREOF, the parties have hereunto set their hands hereof on the day and year first above written by the Board of County Commissioners, Franklin County, Ohio being the governing body of the said County, and by the city/village/township of _____ by _____ (Name) its _____ (Chief Executive Officer) per a duly enacted Resolution/Ordinance of the city/village/township Council of _____.
