Preschool

RecSchool (Ages: 3-5)

Grove City Parks and Recreation's child-centered preschool fosters each child's feelings of competence, social skills, independence, love of learning and appreciation for the wonders of nature. Curriculum is based on the Ohio Department of Education's Early Learning Content Standards and capitalizes on how children learn best: through play. Activities balance spontaneous and planned learning experiences including art, literacy, music, exploration, early academics, science and daily outdoor experiences. RecSchool is at Gantz Barn in Gantz Park and operates September through May with part-week, half-day classes offered morning or afternoon. Enrollees must be 3 years old by Sept. 30 of the current school year. Registration for each school year begins the previous February and continues until the program is full.

Confirmation

Once you have registered for a class, no other confirmations are made unless a change is made in the program details. It is the responsibility of the participant to be present on the date and time listed.

Cancellations/Credit

Registered participants may cancel from a program, but it is that participant's responsibility to contact the Parks and Recreation Department. A credit is made to the participant's account if a request is made in writing prior to the start of the program. To receive a full refund for sports, the request must be made before uniforms are ordered.

Class/Event Cancellation

All classes and events are subject to change or cancellation based on participation and instructor availability. A staff member will notify all registered class participants as changes occur.

Photos and Videos

The City of Grove City reserves the right to photograph or record event and program participants for publicity purposes. Images may be used in catalogs, brochures, magazines, ads or other print or electronic public relations efforts (i.e., website, social media).

Residency Rates & Fair Share Policy

The lower "resident rate" provides credit to those paying municipal taxes that help support the programs

and events offered by the City of Grove City. To qualify as a resident, a person must live or work in Grove City or Jackson Township. This does not include all of ZIP code 43123; ZIP codes are used by the U.S. Postal Service to designate the office that delivers mail to an address.

Visit FranklinCountyAuditor.com to check your address. Grove City parcel IDs start with 040; unincorporated Jackson Township with 160.

Through the City of Grove City Fair Share Policy, non-residents who pay income tax to the City of Grove City are eligible to participate at resident rates. To be eligible, non-residents must annually provide proof of employment on company letterhead with the signature of the personnel director or a current pay stub showing the employer's address.

Equal Opportunities and Special Populations

The Grove City Parks and Recreation Department is committed to serving the whole community. All persons regardless of age, sex, race, color, national origin or religion are encouraged to participate. Our goal is also to include individuals with special needs in our existing programs based on their need and ability. Groups or individuals serving special populations are welcome to contact the department to make program arrangements.

The City of Grove City does not discriminate on the basis of disability in the admission or access to its programs or activities. An ADA Coordinator has been designated to coordinate compliance with the nondiscrimination requirements contained in the Department of Justice regulations implementing Subtitle A of Title II of the Americans with Disabilities Act (42 U.S.C. §12101 et seq.), which prohibits discrimination on the basis of disability by public agencies. The ADA Coordinator can be contacted at 614-277-3050.
