

# COTA//PLUS IN GROVE CITY

## WHO

COTA Plus is a first of its kind on-demand mobility service that takes multiple passengers heading in the same direction and books them into a shared vehicle. Think of COTA Plus as a service smart enough to come when you want it and where you want it.

## WHAT

Thanks to this partnership, residents in Grove City will enjoy a ride-sharing service comparable to Uber or Lyft, but all of the rides are only **\$3**. You read that correctly. Our cars will pick you up from your curb or the nearest corner and drive you to a Grove City destination for just **\$3**. Best of all, rides to or from COTA bus stops are absolutely free.

## WHEN

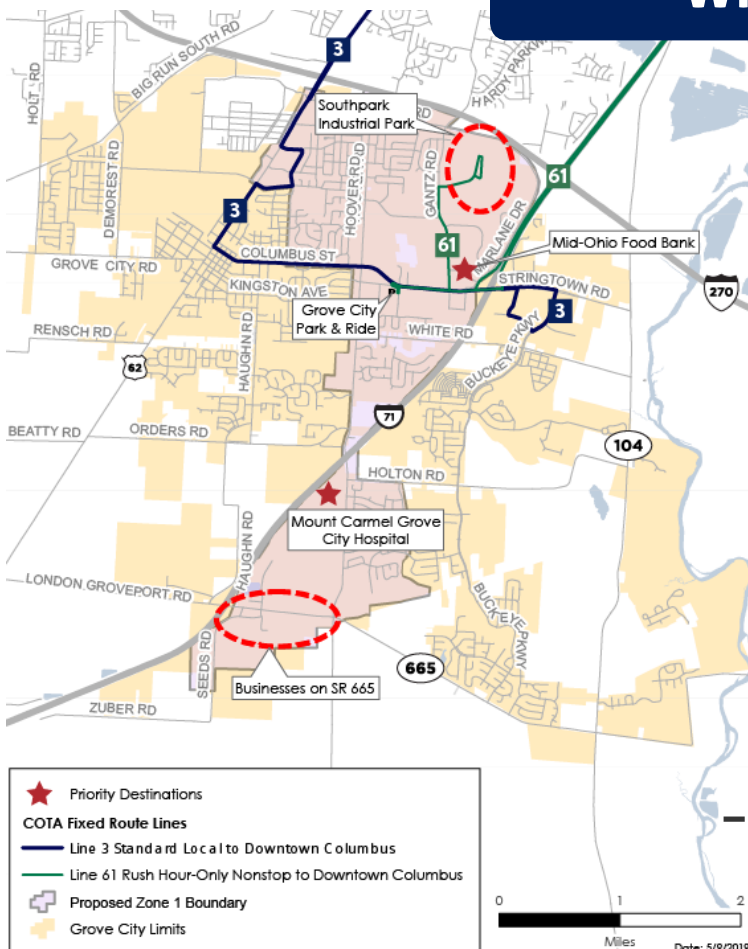

This program launches on **July 15, 2019** for a 12-month pilot period. Stay tuned to learn how COTA will improve mobility in your community!
