GROVECITY2050 GUIDING PRINCIPLES

In January 2018, the City of Grove City adopted the [GroveCity2050 Community Plan](#) to update the City's plans and policies to proactively shape where and how the community will grow. The Plan contains specific goals, objectives and actions to guide development in Grove City as well as five (5) guiding principles. All applications submitted for Planning Commission will be reviewed based on the following principles:

1. The City's small-town character shall be preserved while continuing to bring additional employment opportunities, residents and amenities to the community.
2. Quality design shall be emphasized for all uses to create an attractive and distinctive public and private realm.
3. Places shall be connected to improve the function of the street network and create safe opportunities to walk, bike and access public transportation throughout the community.
4. Future development shall preserve, protect and enhance the City's natural and built character through sustainable practices, prioritizing parks and open space and emphasizing historic preservation.
5. Development shall provide the City with a net fiscal benefit.

**THE CITY OF GROVE CITY
SUBMITTAL REQUIREMENTS: SPECIAL USE PERMIT**

The Planning Commission shall consider approval of applications for special permit uses and forward its recommendations to City Council for their consideration if the following findings are made by the Commission:

- the proposed use shall be harmonious with the existing or intended character of the district and nearby affected districts and shall not change the essential character of the districts;
- the proposed use shall not adversely affect the use of adjacent property;
- the proposed use shall not adversely affect the health, safety, morals, or welfare of persons residing or working in the neighborhood;
- the proposed use shall be in accordance with the general and specific objectives and the purpose and intent of the zoning code and land use plan and any other plans and ordinances of the City;
- the proposed use complies with the applicable specific provisions and standards of this Code;
- the proposed use shall be found to meet the definition and intent of a use specifically listed as a special use in the district in which it is proposed to be located;
