Project Narrative

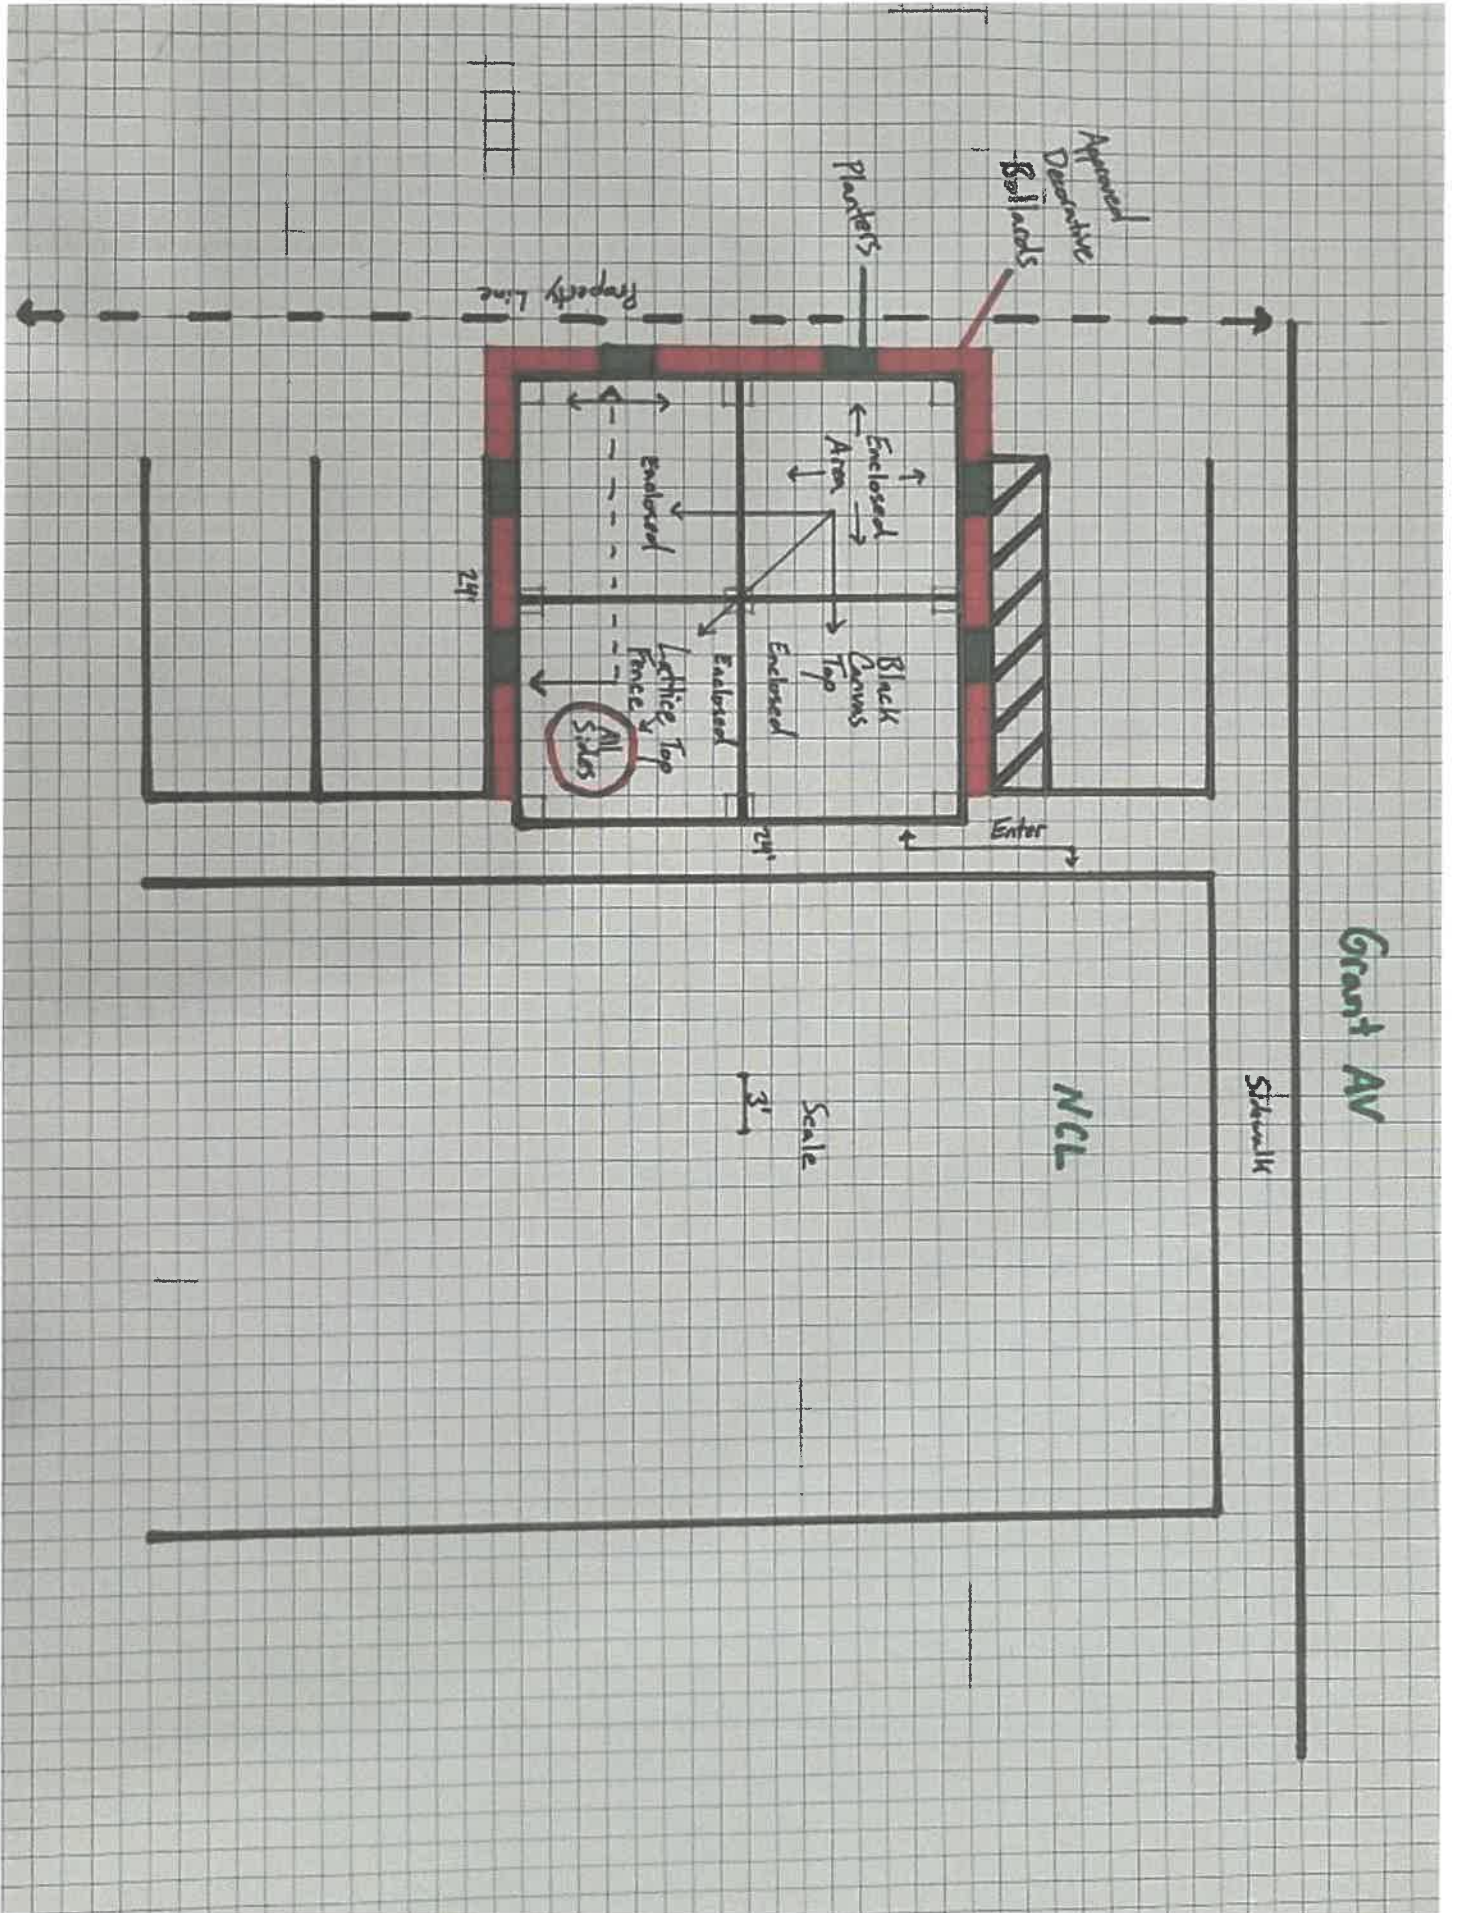

- A. The Hours of operation for the outdoor seating area will be the same as the lounge hours. Tuesday – Saturday from 4pm – 11pm closed Sunday and Monday
- B. The outdoor seating area will seat up to 20 people
- C. The outdoor seating area will take up 3 parking spots. That will leave 5 open spots.
- D. For the noise and lights, the seating area will be private. Should not have any noise issues and lighting will be string lights.
- E. For protection we are using that Bollards that you sent over and recommended.
- F. The outdoor seating area that we are putting in will defiantly match the character and harmony with the surrounding areas. Everyone one that comes to NCL and sees the place absolutely falls in love With NCL’s quite charm and relaxing place to unwind. Now we get to bring a little piece of that outside. The outdoor seating area is for our members to be able to go outside and relax and enjoy the fresh air. I would like to call it a mini-Oasis, its going to be beautiful and I know it will have that Grove City Charm.
- G. Height of the Pergola - 8’6”
- H. Height of the Fencing - 7’
