

# BE A PART OF SOMETHING GREAT!

Sponsorship of Little League® baseball is a great way to assist local youth by supporting a program that builds fitness and character while creating lasting memories.

**Be a part of the most recognized and respected name in youth sports.** Little League® baseball, founded in 1939, is the world's largest organized youth sports program. Nearly 2.5 million players and a million adult volunteers represent all 50 states and countries on six continents.

Be easily recognized as a community supporter each time a parent or grandparent attends a game, when a player wears a uniform shirt to a game and long after the season ends, or when someone visits Windsor Park.

Your partnership reduces players' fees, maintains the Windsor Park Baseball Complex and provides training for volunteer coaches.
